

THE CAUCASIAN.

Entered according to Postal Laws at Clinton, N. C., as second class mail matter.

CLINTON, N. C., — AUG. 1, 1889.

THE CAUCASIAN'S RECORD.

CIRCULATION: 1,555.
One year ago it was less than 800. During the last 14 weeks we have mailed over 25,000 copies.
Advertisers think of this.

John L. Sullivan gets \$12,000 for whipping Jake Kilrain. A fight between Sullivan and Jim Smith, the English champion, is now talked of. Sullivan's backers are eager for the fight.

The International Centennial in New York in 1892 is now being spoken of. It would be the proper thing, we think, to celebrate the 400th anniversary of the discovery of America in that way.

Sullivan, the most celebrated living Bostonian, has fled to Canada. Now keep him there.—Wilmington Messenger.

What a slander on Boston if she places the same estimate on the pet of the "Hub of the Universe."

"A fifty per cent tariff and American wages for American workers" is the lying slogan held up by the monopolist while he gradually cuts down the wages of his employees. Surely it will not take the voters of the country much longer to learn the trick.

Clinton is a pleasant town in one of North Carolina's best Eastern counties.—Wilmington Messenger.
Thanks, Bro. Kingsbury, but you must visit our pleasant, cool, shady, breezy and delightful little town to fully appreciate it. The latch-string to our hospitality could not hang out to a more welcome guest.

The Encampment issue of the Wilmington Messenger has been received. It is a creditable effort, containing sketches of a part of the companies of the State Guard, together with a general write up of the pleasure resorts around Wilmington. The enterprising Messenger always succeeds in its undertakings.

It is reported that there are three negroes in Georgia who claim to be the Trinity, one the Father, another the Son, and another the Holy Ghost. The Son, or Messiah, as he claims to be, goes about absolutely nude and preaches polygamy, sacrificing the destruction of money, etc. The mob that follows after is said to be the terror of the community in which it takes up its abode.

CLINTON, N. C., — AUG. 1, 1889.

A Novel Recipe.

Take a pound of so of fool-scrap, proper size, trim the edges neatly, see that your ink is of right temperature. Select a fresh young heroine of about one hundred and thirty pounds (here in due proportion, and also fresh), sweeten with domestic virtues and sprinkle with artistic tastes. Chop your sentences quite small, and garnish with exclamations; but do not mince matters in the love-making. Let the story simmer gently towards boiling point; then take a well-seasoned "situation," carefully remove all traces of probability, and add to the mixture with plenty of spice. Pour into moulds commonly used for this purpose. A little froth skimmed from other literature makes an ornamental finish.—Puck.

Mr. Ralph Atkins lives at Marlborough, Mo., and is a successful farmer. He says that he has been a great sufferer from impurities of the blood, which made his limbs stiff and gave him pain in the lungs; but that he took Specific, and it soon relieved him entirely.

We have sold Swift's Specific for six years in quantity and the goods have been entirely satisfactory, and without a complaint from a single customer.

HUTCHESON & ELLIOTT,

Paris, Texas.

Swift's Specific has a brisk and constant sale with us, and the universal verdict is, that as a blood medicine it has no rival.

LANKFORD & TOWAN, Druggists,

Sherman, Texas.

Mr. Jas. J. McCalley, of Monet, Mo., says he had dyspepsia for eight years, which made him a wreck, sick and suffering during the whole time. After trying all the remedies, including all the doctors, in reach, he discarded everything, and took Swift's Specific. He increased from 114 to 155 pounds, and was soon a sound and healthy man.

Deafness Can't Be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that we can cure by taking Hall's Catarrh Cure. Send for circulars, free.

WANTED!

We are still continuing the fight, and are leading in Low Prices. We do not intend to have any summer goods left on hand by August 15th. Everything in the line of Dry-Goods, Clothing, Hats and Shoes must and will be sold.
